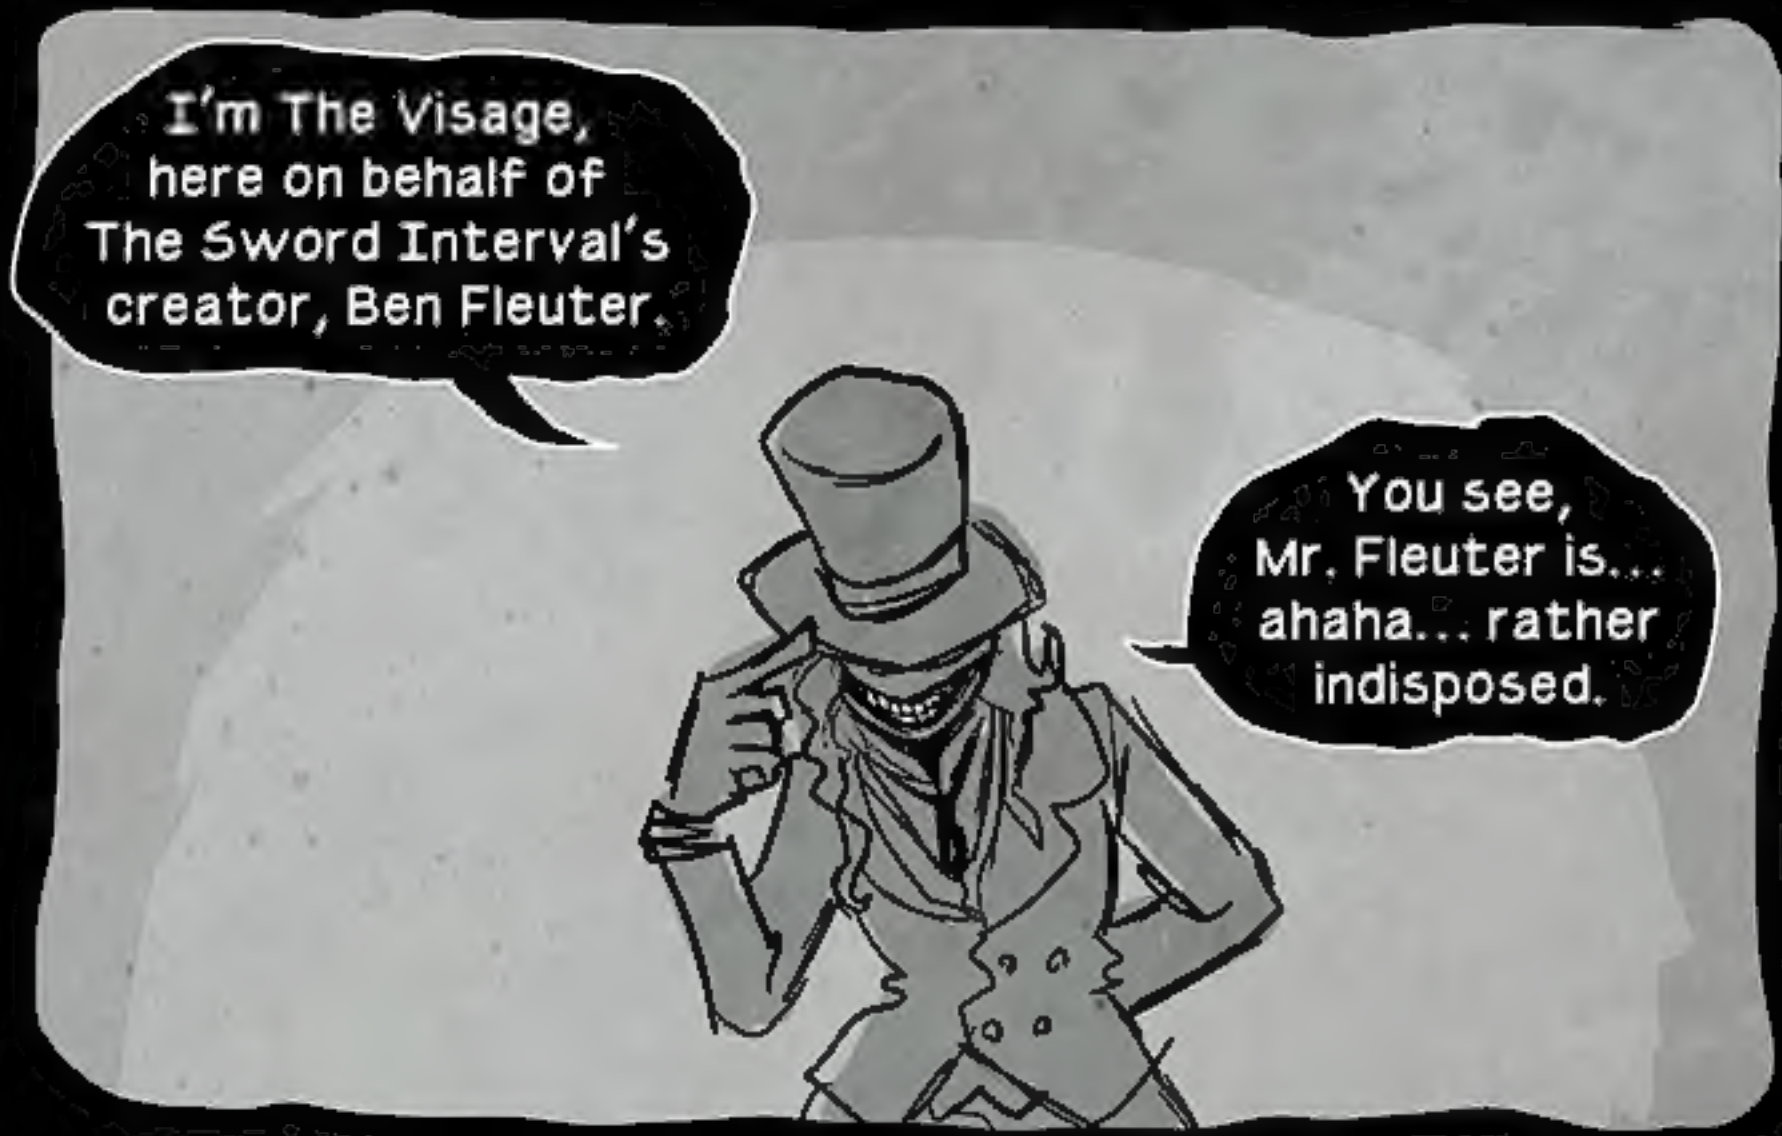
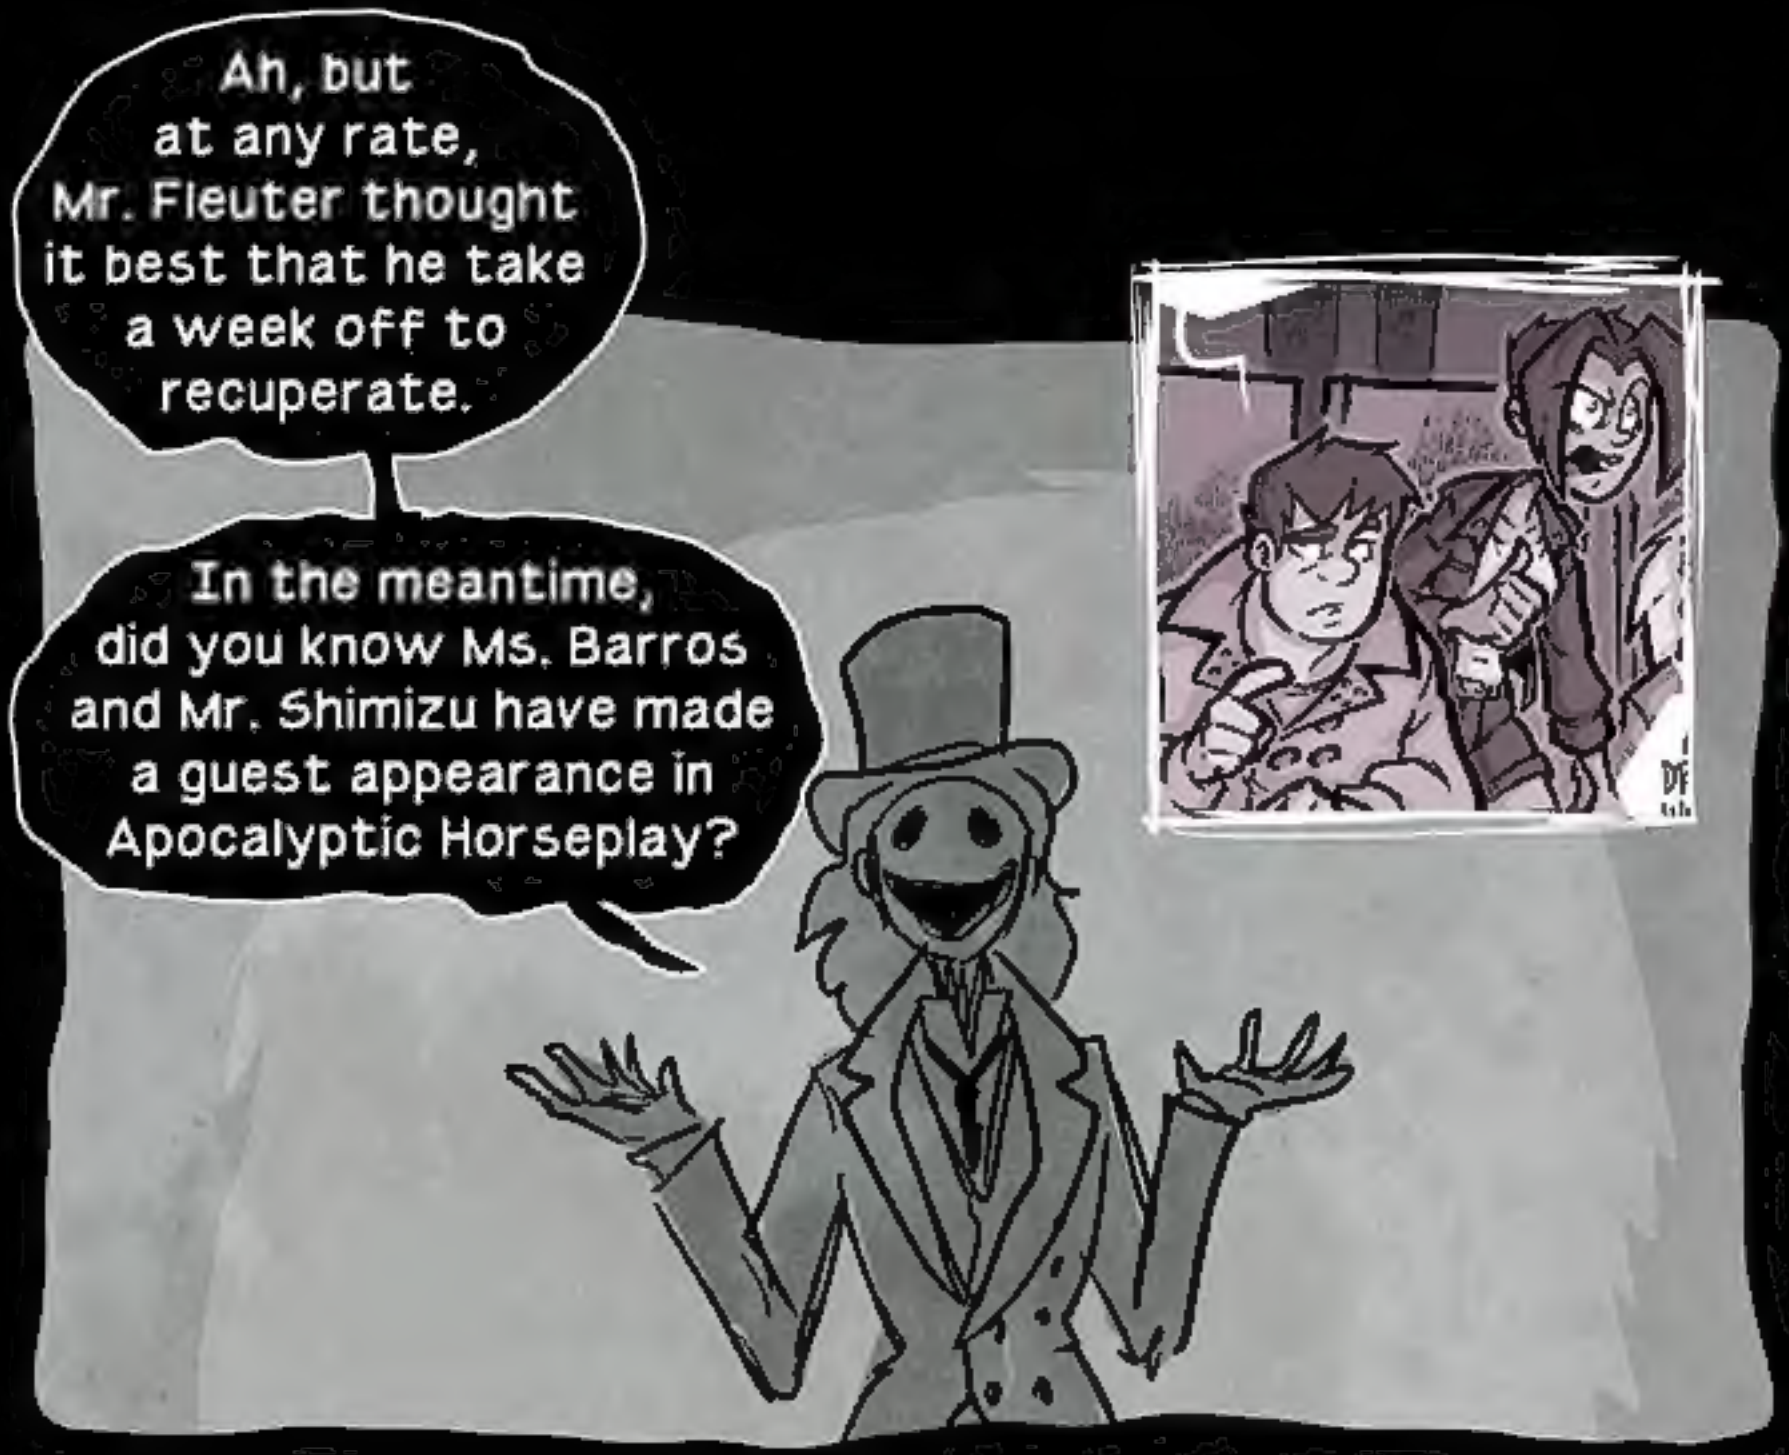
Ah.
Hahaha.
Hello, viewers.



I'm The Visage, here on behalf of The Sword Interval's creator, Ben Fleuter.
You see, Mr. Fleuter is... ahaha... rather indisposed.

Let's see here... something called a "comic con"... vet visits...
Ah, his brother is having a wedding! How lovely!

If I had a heart, I'd give my heartfelt congratulations to Sam Fleuter and Beverly Johnson!
Perhaps someone else's heart will do?



Ah, but at any rate, Mr. Fleuter thought it best that he take a week off to recuperate.
In the meantime, did you know Ms. Barros and Mr. Shimizu have made a guest appearance in Apocalyptic Horseplay?

Hah... well...
That's about all for now.

I'LL BE SEEING YOU ALL NEXT WEEK!!!
